This Term at Nursery

2-3's Room

In 2-3's this Term, we have been participating in activities based around our core story 'Dear Zoo', this includes reading the book, making animal sounds, making masks and learning about the different animals from the book.

With the warmer weather now on our doorstep we have had lots of opportunities to engage in outdoor activities. The children have enjoyed exploring water activities including water the plants.

3-5's Room

In 3-5's this Term, we have been participating in activities based around our core story 'We're Going on a Bear Hunt', this includes reading the book acting out the story and searching for bears in the garden.

We have been learning the initial six letters of phonics 'S A T P I N' as part of our School Readiness.

Children have been learning the initial sound of their names and practicing letter formation.

We have vacancies available for children to start in September. If you know anyone who has a child aged 2-4 years please encourage them to get in contact. They could be eligible for free 15/30 hours childcare per week.
